

## Real Estate Agent and Client Registration Form

At Inspired Communities, we make it quick and easy to register your clients and protect your sale in any Inspired Community for up to 60 days.

Personally accompany your client to the model center or phone, fax or e-mail the new home consultant before your client's visits.

If you are unable to accompany your client, Inspired Communities will allow your client to register you by presenting our new home sales consultant your business card or register your name and agency on the Visitor's Registration Form.
